Geese Chasers™, LLC was founded in 1999 by Bob Young. While throwing a Frisbee to his newly acquired, pure-bred, Border Collie "Boomer". Bob and Boomer were approached by a local golf course owner who asked if he would be interested in "Chasing Geese" off his property in exchange for free golf.

The rest, as they say, is history. Bob and Boomer cleared the golf course of geese and they have cleared thousands of acres since then.

WHO WE ARE

WHAT WE DO

Geese Chasers™, LLC uses highly trained Border Collies in an integrated approach to rid client's properties of unwanted Canada Geese. While beautiful to look at, Geese are really "dirty birds!" They not only foul the ground with their excrement, they also nest and then attack anyone who comes near.

Geese Chasers™, LLC is the fastest and most humane, effective and affordable method for Canada Goose control. Our method has been extolled on TV, Radio and print media for its humane effectiveness!

For many years, Bob operated his geese chasing business right out of his home, with the help of his wife, Deborah and have bred and trained these amazing and intelligent dogs to herd and "harass" geese, without harm. They have prospered and have built a very large list of satisfied clients.
